

MDMLG Publications and Presentations List

2014

Afonso N, Kavanagh M, **Swanberg S**. Improvement in attitudes toward influenza vaccination in medical students following an integrated curricular intervention. *Vaccine*. 2014;32(4):502-506.

Bucciarelli ER. A visible fix: promoting the intangible health sciences ebook collections. Paper presented at the Michigan Health Sciences Library Association Annual Conference. Mt. Pleasant, Michigan. October 2014.

Bucciarelli ER. Creating tangible connections using the intangible library. Paper presented at the Academic Library Association of Ohio Annual Conference. Sandusky, Ohio. November 2014.

Bucciarelli ER. Embedded librarianship in academic health sciences programs: cases from the frontline. Paper presented at the Metropolitan Detroit Medical Library Group meeting. Farmington, Michigan. March 2014.

Engwall K. Branching out: serving as an embedded librarian in a summer STEM program. Lightning round presentation at the Michigan Health Sciences Libraries Association Annual Conference. Mount Pleasant, Michigan. October 2014.

Engwall K. Designing an online learning environment in WordPress. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Mount Pleasant, Michigan. October 2014.

Engwall K. Ditch the binder! Leveraging technology in professional organization planning and collaboration. Oral presentation at the Medical Library Association Annual Meeting. Chicago, Illinois. May 2014.

Engwall K, Swanberg S. Using chat to complement didactic information literacy instruction. Oral presentation at the Michigan Academy of Science, Arts & Letters Annual Conference. Rochester, Michigan. February 2014.

Engwall K, Swanberg S, Mi M, Bulgarelli N. Serving up information literacy: opportunities for learning beyond the curriculum – reflections after two years. Poster presentation at the Medical Library Association Annual Meeting. Chicago, Illinois. May 2014.

Figg B. Health literacy out loud. *Journal of Consumer Health On the Internet* 2014;18(3):279-283.

Figg B. Healthcare workers' choices for medical literature. *The Serials Librarian: From the Printed Page to the Digital Age* 2014;67(3): 248-259.

Holyoke A, Dennison C, Farrell A, Gore G, Kysh L, Machel V, Marton C, O'Brien K, Pannabecker V, **Swanberg S**, Thuna M. Effectiveness of instructional methods used by librarians for teaching evidence-based practice: A systematic review. Oral presentation at the Canadian Health Libraries Association. Montreal, Quebec. June 2014.

Holyoke A, **Swanberg SM**, Gore G, Pannabecker V, Dennison CC, Marton CF, Farrell AD, Thuna M, O'Brien KK, Machel V. Systematically assessing methods used by academic librarians for teaching evidence-based practice: what works best? Oral presentation at the Quint Chapter Meeting of the Medical Library Association. Denver, Colorado. October 2014.

Kavanagh M, Holka K, **Swanberg S**, Afonso N. Comparison of attitudes towards influenza vaccination in first-year nursing and medical students. Poster presentation at the Central Group on Educational Affairs Spring Meeting, Cleveland, Ohio. March 2014.

Mi M. Instructional design for motivation. Poster presentation at the 8th Annual Conference on Teaching and Learning of Oakland University & University of Windsor. Rochester, Michigan. May 2014.

Mi M. What is the research evidence about learning? Can we apply it to improve our teaching? Poster presentation at the 8th Annual Conference on Teaching and Learning of Oakland University & University of Windsor. Rochester, Michigan. May 2014.

Mi M. What is your framework for program evaluation? Oral presentation at the 8th Annual Conference on Teaching and Learning of Oakland University & University of Windsor. Rochester, Michigan. May 2014.

Mi M, Gould D. Wiki technology enhanced group project to promote active learning in a neuroscience course for first-year medical students: an exploratory study. *Medical Reference Services Quarterly*. 2014;33(2): 123-135.

Mi M, Stefaniak J, Afonso N. Community needs assessment to reach out to an underserved population. *Medical Reference Services Quarterly*. 2014;33(4):375-390.

Mi M, Stefaniak J, Afonso N. Outreach to vulnerable and underserved populations to enhance medical students' service learning. Oral presentation at the Central Group on Educational Affairs Spring Meeting. Cleveland, Ohio. March 2014.

Pannabecker V, Dennison C, Farrell A, Gore G, Holyoke A, Machel V, Marton C, O'Brien K, **Swanberg S**, Thuna M. Creative convergence: conducting a systematic review project through distance, cross-institutional collaboration. Oral presentation at the Quint Chapter Meeting of the Medical Library Association. Denver, Colorado. October 2014.

Sprague E. An emerging medical library's endeavor to track institutional scholarly publications. Poster presentation at the Medical Library Association Annual Meeting. Chicago, Illinois. May 2014.

Swanberg S, Dereski M. Structured abstracts: best practices in writing and reviewing abstracts for publication and presentation. *MedEdPORTAL*; 2014. Available from: <https://www.mededportal.org/publication/9908>

Swanberg S, Greer K, Nichols-Hess A. Interdisciplinary might is magic: melding medical and academic librarian's expertise to craft an outreach series for muggles. Lightning round presentation at the Michigan Health Sciences Libraries Association Annual Conference. Mount Pleasant, Michigan. October 2014.

Wells M, Croome KM, **Janik T**, Hernandez-Alejandro RM, Chandok NM. Comparing outcomes of donation after cardiac death versus donation after brain death in liver transplant recipients with hepatitis C: a systematic review and meta-analysis. *Canadian Journal of Gastroenterology & Hepatology*. 2014;28(2):103-108.

2013

Afonso N, Kavanagh M, **Swanberg S**, Band J. "Flu ends with u" influenza vaccine toolkit for teaching health professional students. *MedEdPORTAL*; 2013. Available from: www.mededportal.org/publication/9417

Bondar A. OCLC WorldShare metadata collection management. Oral presentation at the American Library Association Midwinter. Seattle, Washington. January 28, 2013.

Eastwood J, Rodenbaugh DW, **Mi M.** Using socioscientific issues to integrate the sciences and humanities in preclinical medical education. Poster presentation at the Central Group on Educational Affairs Annual Meeting. Cincinnati, Ohio. March 2013.

Eastwood, J, Rodenbaugh DW, Sabina R, Krug E, Poznanski A, **Mi M**, Joyce B. A Socioscientific issues model for integration of the medical sciences, social sciences, and medical humanities. Poster presentation at the 4th International Conference of the Association of Biochemistry Course Directors. Santa Fe, New Mexico. May 2013.

Engwall K. Getting started with Twitter: so that's what I'm supposed to do. Oral presentation at the Metropolitan Detroit Medical Library Group. Ann Arbor, Michigan. March 2013.

Engwall K. Securing your research data. Oral presentation at the Michigan Academy of Science, Arts & Letters Annual Conference. Holland, Michigan. March 2013.

Engwall K. Twitter basics. Invited presenter for the 2nd Annual William M. Davidson Medical Education Week, Oakland University William Beaumont School of Medicine. Royal Oak, Michigan. May 2013.

Engwall K, Swanberg S, Mi M. Serving up information literacy: opportunities for learning beyond the curriculum. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Grand Rapids, Michigan. October 2013.

Figg B. Dr. Greene. *Journal of Consumer Health On the Internet* 2013;17(3):324-332.

Figg B. National Institute of Child Health and Human Development. *Journal of Consumer Health On the Internet* 2013;17(2):196-203.

Kavanagh M, Afonso N, Thompson B, **Swanberg S**, Band J. Longitudinal assessment of an integrated educational program using influenza vaccination and prevention. Poster presentation at the Central Group on Educational Affairs Spring Meeting. Cincinnati, Ohio. March 2013.

Krzeminski J. Mobile resources in the hospital library: the Sladen Library experience. *MLA News*. 2013;53(6):11.

Mi M. Factors that influence effective evidence-based medicine instruction. *Medical Reference Services Quarterly*. 2013; 32(4):424-433.

Mi M, Barnes M, Doyle K, Lick D, Crossley N, Shubeck S, Fogla S, Devries J. Measuring residents' perceptions of the environment for learning and practicing of evidence-based medicine. Poster presentation at the Harvard Macy Innovations Poster Session, Association of American Medical Colleges Annual Meeting (AAMC). Philadelphia, Pennsylvania. November 2013.

Mi M, Eastwood J. A librarian's multiple roles in establishing, organizing, and facilitating a faculty learning community to promote scholarly teaching and medical educational research. Poster presentation at the Medical Library Association Annual Meeting. Boston, Massachusetts. May 2013.

Mi M, Eastwood J. Developing a faculty learning community to promote scholarly teaching and medical educational research. Poster presentation at the Central Group on Educational Affairs Annual Meeting. Cincinnati, Ohio. March 2013.

Mi M, Gould D. Project-based learning with a wiki site to promote active learning in a neuroscience course for first-year medical students. Poster presentation at the Central Group on Educational Affairs Annual Meeting. Cincinnati, Ohio. March 2013.

Mi M, Gould D. Use of a wiki as a collaborative learning tool to promote active learning in a neuroscience course for first-year medical students. *The FASEB Journal*. 2013; 27(960):24.

Mi M, Stefaniak J, Pugh R, Afonso N. Community needs assessment for health information outreach education program. Poster presentation at the 2nd Annual William M. Davidson Medical Education Week, Oakland University William Beaumont School of Medicine. Royal Oak, Michigan. May 2013.

Mi M, Swanberg S, Bulgarelli N. Cultivating faculty's role modeling for medical students through a library faculty development program. Poster presentation at the Medical Library Association Annual Meeting. Boston, Massachusetts. May 2013.

Mi M, Swanberg S, Bulgarelli N. Harnessing the classroom action research model to enrich information literacy instruction techniques in the M1 curriculum. Oral presentation at the Medical Library Association Annual Meeting. Boston, Massachusetts. May 2013.

Poznanski A, Afonso N, Edwards K, Vaughan H, **Bulgarelli N**, Krug E, Gould D. Teaching medicine through media: an interprofessional and interdisciplinary activity with neuroscience and film. *FASEB Journal* 2013; 27(Meeting Abstract Supplement).

Poznanski A, Devries J, Gillum L, Joyce B, Kruer J, **Mi M**, Rajasekaran S, Wunderlich T. An innovative residents as teachers program. Table discussion session at Academies Collaborative, Association of American Medical Colleges Annual Meeting (AAMC). Philadelphia, Pennsylvania. November 2013.

Sprague E. Comparison of institutional scholarly publication tracking methods. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Grand Rapids, Michigan. October 2013.

Swanberg S, Harriott M, Jurva S, Reed-Hendon C, Yeow R. Highlighting health disparities in the local community by integrating lupus awareness into a university-wide African American celebration month. Oral presentation at the Michigan Academy of Science, Arts & Letters Conference. Holland, Michigan. March 2013.

Swanberg S, Reed-Hendon C, Harriott M, Jurva S. Nurturing cultural competency in future physicians: an extracurricular education series to raise awareness of local health disparities in medical students. Poster presentation at the Medical Library Association Annual Meeting. Boston, Massachusetts. May 2013.

Wu L, **Mi M**. Librarian vitality: An embedded librarianship model for health science libraries. *Medical Reference Services Quarterly*. 2013; 32(3):257-265.

2012

Afonso N, Kavanagh M, Misra L, Thompson B, **Swanberg S**, Band J. An integrated educational intervention to teach medical students about the influenza vaccine while ensuring compliance with hospital policy. Poster presentation at the Central Group on Educational Affairs. St. Louis, Missouri. March 2012.

Afonso N, Kavanagh M, **Swanberg S**, Stefaniak J, Jung DC, Lucia VC, Joyce BL. A framework for developing integrated clinical learning experiences during the pre-clinical years. Poster presentation at the Oakland University & University of Windsor 6th Annual Conference on Teaching and Learning. Rochester, Michigan. May 2012.

Bucciarelli ER. Gray literature matters: locating elusive and non-traditional research. Paper presented at the meeting of the Michigan Academy of Science, Arts, and Letters Annual Conference. Alma, Michigan. March 2012.

Bulgarelli N. Budgeting and early collection development. Invited speaker for the Association of Academic Health Sciences Libraries New Medical Libraries Symposium. Orlando, Florida. June 2012.

Bulgarelli N. Information mastery curriculum. Invited presenter for the Metropolitan Detroit Medical Library Group Spring Meeting. Birmingham, Michigan. April 2012.

Bulgarelli N, Mi M, Swanberg S. Using a PDSA cycle as a framework for curriculum improvement. Poster presentation at the Medical Library Association Annual Conference. Seattle, Washington. May 2012.

Greer K, **Swanberg S**. Development and integration of a campus-wide self-paced online course to promote academic integrity at Oakland University. Oral presentation at the Oakland University & University of Windsor 6th Annual Conference on Teaching and Learning. Rochester, Michigan. May 2012.

Greer K, **Swanberg S**, Gunn M, Switzer A, Daniel D, Wynn-Purdue S. Beyond the web tutorial: development and implementation of an online, self-directed academic integrity course at Oakland University. *The Journal of Academic Librarianship*. 2012; 38(5):251-258.

Kavanagh M, Afonso N, Misra LC, Thompson B, **Swanberg S**, Band JD. An integrated educational intervention to teach medical students about the influenza vaccine while ensuring compliance with hospital policy. Oral presentation at the Association of Standardized Patient Educators Annual Conference. San Diego, California. June 2012.

Mi M. Evidence-based medicine in undergraduate medical education: a literature review. *Evidence Based Library and Information Practice*. 2012; 7(3): 98-120.

Mi M. Expanding a librarian's role through building and managing a faculty learning community. Lightning round presentation at the Michigan Health Sciences Libraries Association Annual Conference. Novi, Michigan. October 2012.

Mi M, Bulgarelli N, Swanberg S. Providing information mastery instruction in a capstone program for first-year medical students: medical librarians' experiences in a new medical school. Poster presentation at the Medical Library Association Annual Conference. Seattle, Washington. May 2012.

Mi M, Moseley JL, Green, ML. An instrument to characterize the environment for residents' evidence-based medicine learning and practice. *Family Medicine*. 2012;44(2):98-104.

Mi M, Stefaniak J, Solomonson W. Application of Web 2.0 technologies in enhancing teaching and learning in medical education. Workshop presented at the Central Group on Educational Affairs Annual Conference. St. Louis, Missouri. March 2012.

Mi M, Stefaniak J, Solomonson W. Application of Web 2.0 Technologies in enhancing teaching and learning in medical education. MedEdPORTAL; 2012. Available from: <http://www.mededportal.org/publication/9290>.

Mi M, Swanberg S, Engwall K, Bulgarelli N. Architecting learning contexts to support first-year medical students in learning fundamental library information skills. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Novi, Michigan. October 2012.

Mi M, Wu L. Sustaining librarian vitality: embedded librarianship model for health sciences librarians. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Novi, Michigan. October 2012.

Reed-Hendon C, **Swanberg S**, Harriott M, Jurva S. Education awareness series of multicultural issues in health for first-year medical students. Oral presentation at the National Association of Medical Minority Educators Annual Conference. Washington DC. September 2012.

Seo M, Eastwood J, **Swanberg S.** How is professionalism applied at different levels of medical education? Poster presentation at the International Association of Medical Science Educators Annual Conference. Portland, Oregon. June 2012.

Seo M, Eastwood J, **Swanberg S.** Is professionalism applied differently according to the level and context of medical education? Poster presentation at the 2012 Research in Medical Education Conference, Association of American Medical Colleges, San Francisco, California, November 2012

Solomonson W, **Mi M.** Using worked examples to design effective medical instruction for novice learners. Workshop presented at the Central Group on Educational Affairs Annual Conference. St. Louis, Missouri. March 2012.

Swanberg S. Reference management software panel: RefWorks. Invited presenter for the Metropolitan Detroit Medical Library Group Fall Meeting. Royal Oak, Michigan. September 2012.

Swanberg S. Rolling into the curriculum: using the snowball technique to introduce first-year medical students to patient education resources. Oral presentation at the Michigan Academy of Science, Arts & Letters, Annual Conference. Alma, Michigan. March 2012.

Swanberg S, Harriott M, Jurva S, Reed-Hendon C. Development of an extracurricular education series to foster cultural competency in medical students. Poster presentation at the Oakland University William Beaumont School of Medicine Medical Education Week. Rochester, Michigan. May 2012.

Swanberg S, Lombardo S, Bulgarelli N, Mi M. Sharehousing: adopting the household model in the establishment and integration of a new virtual medical library. Poster presentation at the Medical Library Association Annual Conference. Seattle, Washington. May 2012.

Swanberg S, Lombardo S, Bulgarelli N, Mi M. Sharehousing: adopting the household model in the establishment and integration of a new virtual medical library. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Novi, Michigan. October 2012.

Swanberg S, Mi M, Bulgarelli N. Integrating an information mastery instruction program into the M1 curriculum: reflections of medical library faculty at a new medical school. Poster presentation at the Central Group on Educational Affairs Annual Conference. St. Louis, Missouri. March 2012.

Swanberg S, Mi M, Bulgarelli N. Lean CD: Establishing a curriculum and faculty-driven collection development model at an emerging medical library. Poster presentation at the Medical Library Association Annual Conference. Seattle, Washington. May 2012.

2011

Bucciarelli ER. Point of entry: cultivating a strategic librarian-faculty partnership: a case study. Paper presented at the meeting of the Michigan Academy of Science, Arts, and Letters Annual Conference. Saginaw, Michigan. March 2011.

Bucciarelli ER, Memmott S. Reinvigorating the experienced instruction librarian. Paper presented at the meeting of the Michigan Library Association Annual Conference. Traverse City, Michigan. November 2011.

Gillum L, Taylor B, **Bulgarelli B.** Components of a comprehensive faculty development program: cultivating faculty for a new medical school in an academic healthcare system. Presented at the AHME Educational Institute. Westminster, CO. 2011

Mi M. Cognitive theory of multimedia learning and implications for library endnote guides created with LibGuides. Poster presentation at the Midwest Chapter of the Medical Library Association Annual Conference. Indianapolis, Indiana. October 2011.

Mi M. Designing and developing online tutorials for community-based physician faculty. Invited speaker for the Midwest Chapter of the Medical Library Association Annual Conference. Indianapolis, Indiana. October 2011. Technology Forum.

Mi M. Evaluation of a credit-based elective course for fourth year medical students. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Frankenmuth, Michigan. September 2011.

Mi M. Instructional design for adult learners. Lightning round presentation at Michigan Health Sciences Libraries Association Annual Conference. Frankenmuth, Michigan. September 2011.

Mi M. Renewed roles for librarians in problem-based learning in the medical curriculum. *Medical Reference Services Quarterly*. 2011;30(3):269-282.

Rosenzweig M, Harris B, Swanberg S. Using EndNote to format national institutes of health grants documents. Poster presentation at the Michigan Health Sciences Libraries Association Annual Conference. Frankenmuth, Michigan. September 2011.
