

MDMLG Mentor Program

Established 2017

Metropolitan
Detroit
Medical
Library
Group

ABOUT THE PROGRAM:

- ❖ As part of MDMLG's ongoing efforts to expand its outreach program, a formal mentor program has been established. Program details: <http://www.mdmlg.org/student-portal.htm>

HOW IT WORKS:

- ❖ A mentee will be paired with a volunteer MDMLG member with at least 5 years work experience. The mentor-mentee relationship will continue through graduation or the first 3 years of a professional position.

ELIGIBILITY:

- ❖ Mentees: Any interested library information science student, recent graduate, or individual who wishes to enter health sciences librarianship.
- ❖ Mentors: Any MDMLG member with at least 5 years of work experience.

BENEFITS

- ✓ Networking and professional connections
- ✓ Site visit to a health science/medical library
- ✓ Learning opportunities such as: shadowing, interviewing, volunteer work, internships and more!
