How to Claim CE Credit with an MLA Enrollment Code

- Using the enrollment code you received today, go to MEDLIB-ED, the Medical Library Association's (MLA) clearinghouse for CE classes and credit at: http://www.medlib-ed.org/
- Log in (or register if this is your first time).
- You don't have to be a member of MLA to create an account and claim credit.
- 1. Click on the Log In/Register link in the top right corner.

If you have an MLANET account, please login and proceed to step 9.
 If you forgot your password, please click the link to reset it. Follow the instructions, then login and proceed to step 9.

11. If the class is part of a series or a regularly occurring webinar, and you have previously used the enrollment code from another session you attended, locate the class for which you are trying to claim credit under enrollments. Click on the title of the class. Then click on the Attestation for the class instance for which you are claiming credit.

IMPORTANT: After you close the *Success* message, refresh your browser page and the class matching the code you just redeemed will appear in your list of classes (Sort by Newest and class will appear on top).

12. Once the class appears in your list, click on the name of the class.

13. You must "attest" that you took the class to claim your CE credit.

14. On the next screen you will see the unlocked Claim Credit link that you can click on to access your CE certificate.

- 15. You may now claim and print your certificate.
- 16. All MLA CE classes for which you redeem codes, both series and standalone classes, will be listed in your My Learning section.
