## ABOUT US

The **Metropolitan Detroit Medical Library Group** (MDMLG) is a membership organization for individuals interested in biomedical or health sciences libraries or medical informatics.

**MDMLG** can trace its roots to the Biological Sciences Group established by the Michigan Chapter of the Special Libraries Association in 1946. The group began the process of formal organization and chose its current name in 1970.

## WELCOME TO MDMLG!

We are thrilled to have you as a new member. Whether you are a professional, paraprofessional, or a student, from a hospital, academic, or special library or resource center, MDMLG has many opportunities for you to network, learn, and grow in your career.

Connect with us on Instagram: [@detroitmedicallibrarygroup](https://www.instagram.com/detroitmedicallibrarygroup)

## MDMLG MENTOR PROGRAM

The MDMLG Mentor Program provides students and new members with an opportunity to explore the field of health sciences librarianship. By matching students and new members with practicing health sciences professionals, MDMLG offers real-life experiences in a variety of settings.

Those interested in participating in the Mentor Program should complete [this form](#). For more information, click [here](#).

## STUDENT PORTAL

Access the MDMLG [Student Portal](#) for more information on membership, events, and other introductory resources.
